VOLUNTEER!

Pals for Paws could not exist without the help of its volunteer staff. More volunteers are needed to help with the many functions of our organization. Foster families are needed who can temporarily care for the animals until they are adopted by "forever families." Many people are needed to staff fundraising events, teach pet first-aid classes, take dogs for walks in the park, provide transportation for the animals to and from adoption events, and work on publicity and advertising. If you or someone you know would like to become a Pals for Paws volunteer, please call Linda at 765-453-2382.

DONATE!

Because Pals for Paws is a not-for-profit 501c3 organization, all donations made are tax deductible. 100% of all contributions made go to help the animals. We are in need of collars, leashes, kitty litter, crates, toys, treats, blankets, and rugs. You may leave items at **2048 E. Boulevard** in Kokomo in front of the garage door or front door. You may also make monetary donations in memory of a beloved pet or family member who has touched your heart. All memorial contributions will be listed in our next newsletter. Mail contributions to:

JUST FOR FUN

A Dog's Rules for Christmas

1. Be especially patient with your humans. They may be more stressed-out than usual during this time.
2. Your humans may bring home bags of things they call “gifts.” Do not assume that these are all yours.
3. Be tolerant if your humans want to put decorations on you. They seem to like to see how you look with fake antlers.
4. Your humans may bring a tree into the house and decorate it with lights. As bizarre as this may seem to you, there are some things you need to know:
 - a. Don't pee on the tree.
 - b. If there are packages under the tree that smell interesting, do not rip them open, even if they have your name on them.
 - c. Don't chew on the cord that runs from the tree to the hole in the wall.
5. Visitors may come to your house to visit during the holiday season. Remember:
 - a. Not all strangers will appreciate your kisses.
 - b. Be very subtle when you beg for food or goodies.
6. If a big man with a white beard emerges from your fireplace in the middle of the night, do not bite him!
